The Lodge Restaurant

On Beautiful Lake Ouachita

Welcome to the Lodge Restaurant, the dining room of Harbor. Actually it's almost our living room, too. For five generations, kids have tumbled on these floors, families have toasted weddings, anniversaries, new babies, new boats, or just turned up for dinner with sunburned noses and big appetites.

This is your home, and while you are here, we want you to relax. So, pull up a chair or stroll around and look over the bits and pieces of Harbor history that we have laying about.

We want you to know how important you are to us. All of the products that we purchase for our menu have been carefully selected for quality and freshness. Every item that you order is presented with care and pride by our culinary team.

And if a child tumbles by, or a dog barks at the front door or wanders in... relax, you're just part of our Harbor family now.
