## *Decorations & Supplies*

Mountain Harbor Resort is nestled in the Ouachita National Forest on the pristine Lake Ouachita. We are proud to keep Arkansas beautiful by taking great care of our natural setting. We graciously request you use natural or organic materials when possible (especially at our outdoor venues) and refrain from using plastic or artificial decorations that can pollute or damage our venue settings or the Lake.

We are so sorry, but Glitter and Confetti are not permitted. All decorations must be removed from the venue upon event completion and trash disposed in the proper waste bins provided by our resort.

Please remember that Harbor is nestled in nature. While we take great pride in our facilities, we cannot prevent the weather, leaves blowing in the wind, or bugs/critters.

## *Set Up & Teardown*

We'll set up your ceremony, reception, and/or celebration including the following: Complimentary Rectangle or Round Tables with Chairs.

After all the fun and upon event conclusion, we will tear down the tables and chairs. The remaining decorations, linens, dishware, centerpieces, florals, trash, etc... are the responsibility of the group.

### **Wedding Coordinator**

We highly recommend partnering with a Wedding Planner & Day-of Coordinator. There are so many details and schedules to confirm, vendors to greet, guests to welcome, flowers to bloom, centerpieces to set, and cake to eat! "The To-Do List" goes on and on... take the stress off yourself (and family) on your special day. Wedding Planners & Day-of Coordinators are lifesavers and we are happy to provide contact info for great professionals that know our property intimately!

We set the space with tables and chairs while your Wedding Planner & Day-of Coordinator will bring your dream to life!
